

The Lighthouse - Sept. 2003

Elyria/Lorain Section 814

Mission Statement

To advance community and member quality excellence thorough educational opportunities, non-competitive information exchange, networking, forming alliances and leadership growth

The Chair's Message

A new year is starting for Section 0814 and I am fortunate enough to have the opportunity to serve you as the Section Chair. I would first like to thank Mark Murphy for doing such a great job in continuing to build the section over the last year and the time and devotion that he put in for all of us.

This next year comes with a new set of challenges for all of us personally as well as professionally with continuing world unrest and conflicts affecting the economy and thus the those of us in the quality profession. These affects take the form of increased pressure to manufacture a quality product with fewer resources, smaller training budgets and decreased job security.

This is where the American Society for Quality and more specifically Section 0814 can help you to insulate you from these effects and provide you with additional education and training opportunities, and networking opportunities which will provide you with greater marketability and job security. This year we hope to assist you through our meetings where we will have John Maxwell's tapes on the 17 Laws of Teamwork and a series of PBS tapes called "Against All Odds" on statistics. In addition to the meetings we will have a new web site where we will have a wealth of links to quality information, up to date schedules of meetings and events around the region. We will also be having certification and other training classes as identified by you.

In order to accomplish these goals I and the rest of the Executive meeting need your help. First of all we need you to attend the meetings one evening a month and invite a friend. Secondly we need you to help us identify what training you need to both help you advance your career and at the same time help your respective companies increase their profits. Finally we and your fellow members need your help as part of the Executive Committee to volunteer to assist other members since there are several positions open. I and the rest of the Executive Committee look forward to serving you.

The meetings will be held the second Wednesday of the month at the Elyria Holiday Inn with Networking at 6:00 PM and the teamwork video at 6:30 PM. Following the video we will have a 30 minute discussion on teamwork. At 7:00 PM we will have the "Against All Odds" tape followed by a question and answer period at 7:30 PM.

Respectfully,

Michael Haessly - Section Chair 2003-2004

This program is open to all Section members and their associates or friends. You don't have to purchase the text book or workbook to participate but to truly apply the principles they are a must. The cost is \$34 for the Book and \$26 for the Workbook or \$44 for both for each participant. (Pay at the meeting, make check out to Elyria/Lorain Section #0814). You may also order them online at www.injoy.com. The prices above include a \$5 handling fee for the section.

(Note: any missed laws will be made up at a TBA).

Leadership Program Disclaimer: Dr. John C. Maxwell is a Pastor and does reference his religious experience to provide examples for the laws. We selected Dr. Maxwell because of the quality of his leadership training program not his religion. Therefore ASQ National nor our Section #0814 promote his or any other religion and only provide this opportunity for our members, and/or associates to help you move along your leadership trail.
